VALERIE RYDER

*Leading women toward professional fulfillment*

Hello! For those of you who may not know me, I'm Valerie Ryder, executive coach, consultant and facilitator. I'm pleased to present you with my new website, [www.valerieryder.com](http://www.valerieryder.com), which illustrates my focus on women's career progression, leadership, and in general, professional fulfillment. And if you're wondering why the focus on women, visit my [blog](#) for a post on that specific question.

I'd also like to let you know about an upcoming course I'll be holding (in Italian), entitled "**Autorevolezza e Assertività al Femminile: Affermare la Propria Leadership**". March 8, International Women's Day, marks the first workshop in the 3-part series focused on women, assertiveness, and personal leadership.

The course is comprised of interactive half-day modules, in which participants – women only – will develop assertive communication and self-management skills, increase self-assurance, and become more aware of what it personally means to be a woman leader. For more details on the course, click [here](#). *Per tutte le informazioni in italiano sul corso, cliccare [qui](#).*

I welcome your feedback and look forward to hearing your thoughts and comments.

*Valerie*
